- ◆ Postage is extra, please email or telephone if you would like a quote before ordering. All items are insured
- ◆ All books have been collated and are complete unless otherwise noted – however we are not infallible – any book found to be incomplete, or unwanted for any other reason may be returned for a full refund, but please let us know first
- ◆ Payment can be made by cheque (drawn on a UK bank and made payable to Zetetic Books), or by Paypal at the above email address, or by bank transfer (details upon request)
- ◆ Digital images are available for every item. The bulletin is also available as a PDF
- ◆ If you know of anyone who might like a copy of this or any of our other catalogues, or if you would like to be added to our mailing list, please let us know. Conversely, if you receive a catalogue or bulletin and do not want to receive any more, we would be grateful if you could send a quick email and we will remove you from the mailing list
- ◆ You can get advance notice of printed catalogues and bulletins by joining our email list on the front page at www.zeteticbooks.com, where all recent acquisitions are listed before appearing on any other websites. We would encourage you to do so as items often sell before appearing elsewhere.

Bulletin VI – Astronomy Paperbacks – January 2017

Cover art adapted from item 27

This is the last of the recently acquired collection of astronomy, cosmology and other related books, the hardbacks were listed in Catalogue XI, which is available on the website if you haven't seen it. This bulletin lists the paperbacks and a few journals.
